Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant's representative indicated that she had sent a response by fax to the Official Fax number on 6/25/2004 but indicated that she does not have proof that the Office received said fax. Examiner indicated that since there is no record indicating that the Office received said fax and Applicant does not have a confirmation fax indicating receipt of the response by the Office, a notice of abandonment would be sent out. Examiner noted that a petition to revive could then be filed.

Although not discussed, Examiner notes that if appropriate, a petition to withdraw the holding of abandonment can be filed which if granted would avoid the need to file a petition to revive (See MPEP Section 711.03(c) [R-2] Petitions Relating to Abandonment)..
